Universal Portal Wealth Demo Registration

Greetings Box Colleagues. To access the new Universal Portal Wealth demo please register at: **https://www.mstrategygroup.com/contact**

Once registered, you will be sent a email with login credentials within ~24 hours. Note, two (2) credentials will be provided enabling you to login as a admin and end user. A separate demo guide will be provided highlighting features you can use for the demo that require both logins. Please retain your credentials, we will not be storing the login detail.

The Universal Portal Wealth demo is a preconfigured demo by M Strategy Group. Our focus is to empower Box Customers to create stronger relationships, improve operational efficiency and provide a more seamless and secure collaboration experience.

Demo Highlights:

- Branded Portal Experience
- Intelligent Content Management
- Integration to 3rd Party Solutions
- Workflow
- Rapid implementation 4-12 weeks for concepts highlighted in the demo, pending requirements.
- Affordable

Please note: Not all Universal Portal features have been enabled in the demo. New use case demos, features and process flows are subject to change as new enhancements are released every couple weeks. Should you have a immediate opportunity or a customer who interested in custom screens, workflow, integration, please contact **info@mstrategygroup.com.**

Stay tuned for additional use cases and demos to be announced soon!
